

**Belvedere:** July 13, 2005

*Jerry Butler*

**Corte Madera:**

*Melissa Gill*

**TO:** Executive Committee, Transportation Authority of Marin

**RE:** Review of State Transportation Improvement Program (STIP) Deleted  
STIP Project Backfill Efforts – Agenda Item 6

**Fairfax:**

*Lew Tremaine*

Dear Executive Committee Members:

**Larkspur:**

*Joan Lundstrom*

At the June 23, 2005 meeting of TAM, the Commission reviewed a status report on STIP project backfill efforts and referred the effort to the Executive Committee for evaluation.

**Mill Valley:**

*Dick Swanson*

On January 29, 2004, the CMA reprogrammed its funds programmed for local projects to the 101 HOV Gap Closure for right-of-way due to a shortfall. At the time, the CMA adopted a commitment to fund the lower priority local projects with other local funds (TE, STP, and CMAQ) as they became available.

**Novato:**

*Pat Eklund*

**Ross:**

*Jeanne Barr*

Two opportunities to fund projects have occurred since that time. Local road rehab projects were funded with STP funds on June 24, 2005 and non-road rehab projects were funded with TE funds on May 26, 2005.

**San Anselmo:**

*Peter Breen*

A summary of the projects and the allocated funds is attached. The replacement projects are not necessarily the exact same project as was deleted, with the project selection up to the local agency.

**San Rafael:**

*Al Boro*

**Sausalito:**

*Amy Belser*

**Recommendation**

Review the backfill efforts to date and make a recommendation to TAM regarding future programming efforts. Options include determining that TAM has made a good faith effort, and that in the future project submittals should be judged on their own merits, or determine that TAM should continue to make an effort to backfill projects for a specific period of time.

**Tiburon:**

*Alice Fredericks*

**County of Marin:**

*Susan Adams*

*Hal Brown*

*Steve Kinsey*

*Charles McGlashan*

*Cynthia Murray*

Respectfully Submitted

Craig Tackabery  
Executive Director

Attachment: STIP Backfill Summary

## STIP BACKFILL SUMMARY

Jurisdiction	Deleted Road Rehabilitation Projects from STIP	Deleted Project Funding in thousands	STP Funding Provided	Unmet balance
